

# DUO/DUO NEO

## *SUPERIOR VISION*

Inspired by X1000 goggles, from the Tactical range, the goggle Duo offers total and reinforced protection thanks to its double lens and its Equalizer technology.

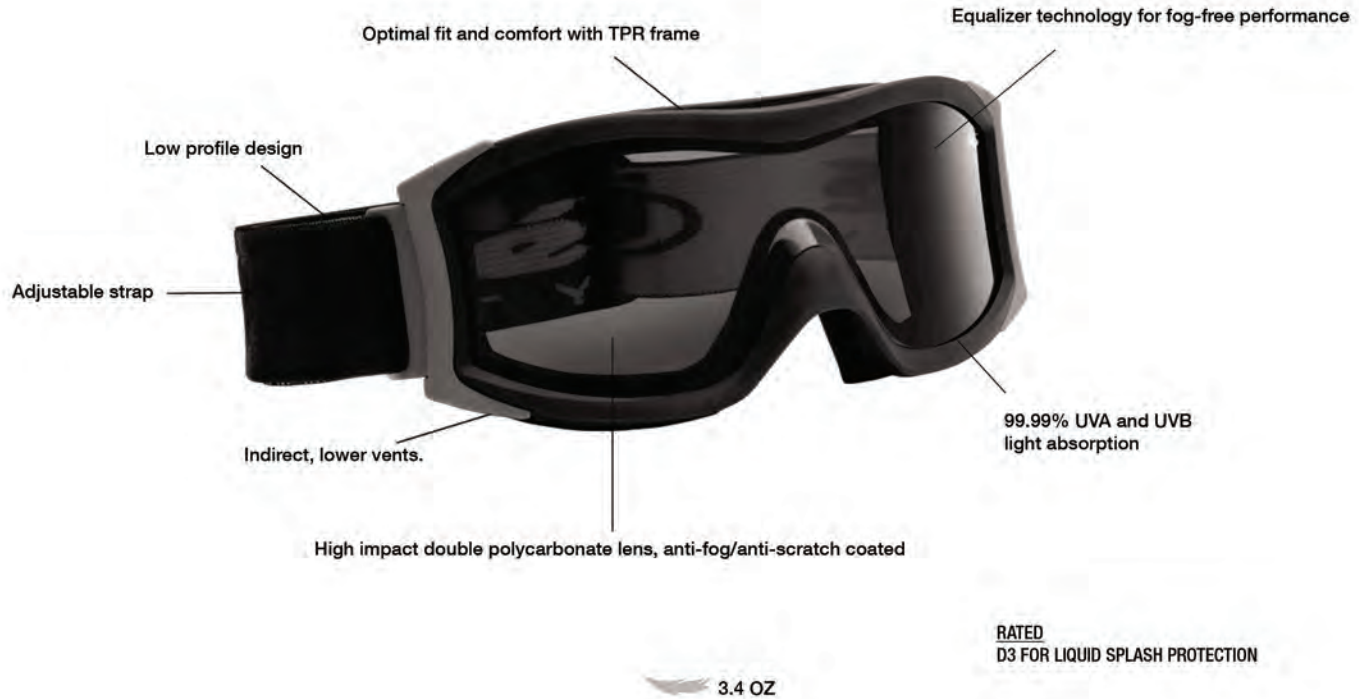

### DUO/DUO NEO ADVANTAGES

- ▶ EQUALIZER TECHNOLOGY
- ▶ OPTIONAL NEOPRENE STRAP
- ▶ TPR (THERMO-PLASTIC RUBBER) FRAME
- ▶ D3 RATED FOR LIQUID SPLASH PROTECTION

SAFETY

# DUO/DUO NEO DOUBLE LENS EQUALIZER TECHNOLOGY

Removes moisture from between the front and back lenses while balancing the inner goggle temperature and pressure with the outside environment to eliminate lens fogging.

## SPECIFICATIONS
