CHARACTERISTICS

Lens Material: Polycarbonate
Lens Thickness: 2.2mm
Frame Material: PVC
Base Curve: 9
Strap: 15mm adjustable - Neoprene

This permanent coating on both sides of the lens gives them a high resistance to scratching, to the most aggressive chemicals and delays the onset of fogging. In all circumstances and at all times the PLATINUM® lens innovation guarantees your eyes improved protection.

CLEANING Lenses should be cleaned regularly. Bolle Safety recommends using the B-clean lens cleaning system.

STORAGE Must be stored in a clean, dry environment. After each use, keep product in a microfiber pouch or rigid case.

REPLACEMENT If lenses or frames are pitted, scratched or damaged, the complete product must be replaced.
